

INVITATION TO COASTAL PLANNING OPEN HOUSE

West Coast Aquatic (WCA) is developing the Tsawalk Partnership, a local planning project that's bringing governments, communities and industry together to work towards healthy communities and ecosystems. This project focuses on the specific values and interests of each community while providing an integrated approach to aquatic resource management.

You are invited to attend an OPEN HOUSE, organized to provide residents:

- information on the planning process,
- an opportunity to ask questions or
- offer input on the plan.

The Open House will be held:

Wednesday, February 3rd, 2010

6:00 pm to 8:00 pm

West Coast Aquatic Office

#3, 4310-10th Avenue, Port Alberni

Watch the newspapers and West Coast Aquatic website for more information about upcoming public events to provide input into this important process.

West Coast Aquatic brings local communities and businesses together with government to manage aquatic resources on west coast of Vancouver Island. WCA empowers communities and other groups to have more authority over managing the resources in their communities.

The Tsawalk Partnership is Coastal planning and development that brings people together with goals of:

- More Jobs and Training
- Healthier Species and Habitat
- Access to Opportunities
- Vibrant Recreation and Culture
- Stronger Partnerships and Pride
- Advanced Knowledge and Tools
- Good Management
